

## **WE LOVE YOUR SLK!**

### SLK Drivers Club NSW

We are a group of owners who love to get the most from our cars – by driving them. We meet bi-monthly at a convenient Sydney location for a social Sunday lunch and SLK “torque” and on the alternate month enjoy a spirited drive to lunch at a distant venue. Escaping Sydney congestion and using main roads as little as possible is a priority and common destinations are the Hunter, the wonderful back roads of the Illawarra and Southern Highlands, the lower and upper Blue Mountains or shorter runs such as the old Pacific Highway to Patonga Beach or a circuit taking in Wisemans Ferry before reaching a venue for lunch.

Our primary interest is driving and promoting the beautiful Mercedes SLK and this OZbenz website forum comment about our club from a non SLK owner says it all – *“Sounds just like what many Merc owners have long been looking for. A club catering for enthusiast owners looking for a mix of motorsport, social gatherings and country drives away from the boring highways. The traditional MB clubs are sometimes criticised for offering the social contact but not much else. I, like many other Merc owners seeking a fuller driving experience, joined the Classic Rally Club in NSW. This club bases its activities around navigational rallies in predominantly classic cars, but for many of us it is just an excuse for a spirited drive away from those busy major highways and socialising with other car and motorsport enthusiasts. What a pity your club is just for Mercedes SLK owners as I suspect there may be owners of other MB models that would be interested in your activities. Good luck with your venture!”*

Membership fees are modest and provide joint membership for both the owner and nominated co-member. Co-members participate fully and are eligible to fill committee positions.
